06/30/17

The following is a more detailed update of the construction to take place for the I-91 Rockingham Bridges #24S & 24N project over the Williams River for the week beginning July 5, 2017.

Exit 6 northbound on-ramp will be temporarily closed from July 10, 2017 to July 21, 2017. Motorists will be detoured on Route 5 to the Exit 7 northbound on-ramp.

Golden Hill Road activities:

Wednesday thru Friday:

- Continued construction of lower access road, plunge pool and railroad crossing access.
- Continued steady truck traffic with traffic control present.
- Crane to be delivered and assembled.

I-91 activities:

Wednesday thru Friday:

- Median crossover work continues at the northern end.
- Milling northbound approach to the crossover; Install temporary line striping
- Northbound left lane closure for the long-term duration.
- Weather permitting, paving of the southern crossover
- Smart work zone equipment to be activated and brought online for public & travel times thru the work zone. A link will be included on the website below.

Motorists merging onto I-91 via Exit 6 northbound on ramp need to stop prior to entering I-91 northbound traffic.
