The following is a more detailed update of the construction to take place for the I-91 Rockingham Bridges #24S & 24N project over the Williams River for the week beginning July 10, 2017.

Exit 6 northbound on-ramp will be temporarily closed from July 17, 2017 to July 28, 2017. Motorists will be detoured on Route 5 to the Exit 7 northbound on-ramp.

Golden Hill Road activities:

Monday thru Friday:

- Continued construction activities under the bridge to gain access to the bridge.
- Continued steady truck traffic with traffic control present.
- Barrier rope to be installed to keep boat traffic from accessing under the bridge during construction.

I-91 activities:

Monday thru Friday:

- Median crossover work continues at the northern end.
- Weather permitting paving the northbound crossover.
- Weather permitting, paving the crossover on the southern end of the bridges.
- Installation of signs, barriers and delineators on the northbound approach.

Motorists merging onto I-91 via Exit 6 northbound on ramp need to stop prior to entering I-91 northbound traffic.
