08/18/17

The following is a more detailed update of the construction to take place for the I-91 Rockingham Bridges #24S & 24N project over the Williams River for the week beginning August 21, 2017.

I-91 NORTHBOUND & SOUTHBOUND IS REDUCED TO ONE LANE WITHIN THE CONSTRUCTION ZONE.

I-91 activities:

Monday thru Friday:

- Continue removing the existing northbound bridge deck slabs and floor beams from the first span.
- Begin constructing upper retaining wall to support the bridge demolition.

Golden Hill Road activities:

Monday thru Friday:

- Continue truck traffic delivering bridge material and equipment.
- Continued construction work on the temporary trestle across the river.
